ABOUT GLOMAX

Glomax Integrators & Services Pvt. Ltd. is a trusted name in the elevator industry, delivering end-to-end solutions from design and installation to maintenance and modernization. With strong expertise in electro-mechanical systems and engineering services, we ensure every lift we deliver performs reliably, safely and efficiently. Backed by a team of skilled professionals and years of industry experience, Glomax has evolved into a multi-disciplinary organization delivering high-quality elevator solutions along with electro-mechanical services.

KEY HIGHLIGHTS

10+ Years of industry experience	50+ Projects Delivered Successfully	24/7 Maintenance Support	CUSTOMIZED Solutions for every need	MULTI-INDUSTRY Experience & Expertise

WHY CHOOSE GLOMAX?

END-TO-END SOLUTIONS	COST EFFECTIVE SOLUTIONS
STRONG TECHNICAL TEAM	SAFETY & COMPLIANCE
FAST RESPONSE & SERVICE	PWD APPROVED LIFT CONTRACTOR

 **SAFE. SMART. RELIABLE.**
That's the Glomax Promise.

ENGINEERED FOR PERFORMANCE. BUILT FOR RELIABILITY

At Glomax, we engineer complete vertical mobility systems that deliver smooth performance, safety and long-term durability.

FEATURES

Advanced Control Systems Precision controllers and ARD for smooth and accurate operations	Custom Designed Solutions Tailor-made lift solutions to match building requirements and user needs
High-Performance Machine Units Energy-efficient and reliable machine units for superior performance	Smooth & Quiet Ride Advanced technology ensures vibration-free and silent operations
Safety in Every Step Multiple safety mechanisms ensuring passenger protection at every level	Modern Aesthetics Stylish cabins and finishes that complement modern architecture
Energy Efficient Optimized systems that reduce energy consumption and operating costs	Easy Maintenance Well-engineered systems for easy access and hassle-free servicing
Built for the Long Run Durable components and quality engineering for extended life and minimal downtime	Compliance Assured All systems comply with national safety standards and statutory norms

KEY COMPONENTS WITH SEAMLESS INTEGRATION

MACHINE UNIT  High efficiency gear less & geared machines for reliable performance.	CONTROL SYSTEM  Smart controllers & ARD for precise control and diagnostics.	DOORS & CABINS  A wide range of doors and cabins to suit every application.	SAFETY SYSTEMS  Advanced safety components for maximum protection.

**EVERY DETAIL.
EVERY COMPONENT.
DESIGNED TO DELIVER**
a safe, efficient and reliable experience.

SOLUTIONS FOR EVERY SPACE, EVERY NEED.

From residential buildings to industrial facilities, we deliver lift solutions that fit every application.

SAFE Operations	EFFICIENT Performance	DURABLE Design	RELIABLE Support
---------------------------	---------------------------------	--------------------------	----------------------------

APPLICATIONS

RESIDENTIAL BUILDINGS	COMMERCIAL COMPLEXES	INDUSTRIAL FACILITIES	WAREHOUSES & LOGISTICS	HOSPITALS & INSTITUTIONS
